EAA Chapter Two

FT. WAYNE, IN

August, 2010

Young Eagles Flight Rally Report:

Our next Young Eagles Flight Rally for 2010 is **August 14**. We are hoping for better weather than the May and June Rallies.

We need volunteers to help in all areas: set up, registration, pilots, escorts, handing out certificates and other free stuff to the kids, and tear down. Come early, stay late, or both, your help is needed. Morning refreshments and lunch will be provided to all volunteers.

If you don't volunteer, you'll miss all the smiles after the rides. So, come on out and enjoy the day!
