If you have **never** been a member of EAA Chapter Two, you may pro-rate your dues based on how many months are left in the calendar year (January through December). Please pay your dues according to how many months are left this year and multiply that by $1.68 per month. Example: If you join in May 2008, you would pay for June through December; seven months x $1.68 = $11.76 you would need to send in.
