If you have **never** been a member of EAA Chapter Two, you may pro-rate your dues based on how many months are left in the calendar year (January through December). Please pay your dues according to how many months are left this year and multiply that by \$1.67 per month (individual) or \$2.50 per month (family). Example: If you join as an individual in May, you would pay for June through December, which is seven (7) months. Seven months multiplied by \$1.67 per month equals \$11.69 that would be due. Please make checks payable to **'EAA Chapter Two'**.
