

President's Corner

Dear Chapter members,

We had our first online video chapter *Get Together* in May and it was a success!

All members and their families and guests are invited to the Fly Into Summer Chapter Cookout on Thurs. June 10, starting at 6:00 PM at Sweet Aviation, Smith Field. See additional info at right.

Our first Young Eagles of the year will be held on Saturday, August 8. See story on page 2.

For ALL chapter 2 events we are working hard to keep you safe. IF you do not feel well, please stay home until you have felt better for more than 14 days. We are very proud our members are safe!

Larry Zepp, President

Fly Into Summer Ch. 2 Cookout-

Mark your calendar for a GREAT cookout on Thurs. June 25 at Sweet Aviation, Smith Field from 6:00-8:30pm for members and their families and guests—NOTE 1 hour earlier.

Ch. 2 will provide hamburgers, hotdogs, condiments and beverages. Please bring a hot side dish or dessert to share. For food safety, hot dishes should remain above 140F. Dessert or purchased salad items should be wrapped in individual servings, if possible.

Social distancing is in effect and face coverings are preferred. ALL servers will wear masks and gloves.

IF you are not feeling well, please stay home to be SAFE!

Young Eagles on Sat. Aug. 8—

We FLY Young Eagles!

Our first rally is scheduled for August 8. Please contact us to let us know whether or not you will be helping and in what capacity. You can text me at 260-402-3478 (be sure to include your name in case I don't have your phone number in my phone) or email at youngeagles@eaa2.org.

We are living in an ever changing world. And we will be doing some things differently at our Young Eagle Rallies. Below is our initial plan which is subject to change and we are still working on some of the details.

Any volunteer who will be in direct contact with our guests will need to wear a facemask. We will have hand sanitizer available for use. We will need additional people to help with the logistics of all the extra safety precautions.

Registration – parents should be strongly encouraged to register their kids on their smart phone. If parents use our computers to register, we will clean the keyboard after each use. This includes being used by an EAA volunteer. Registration volunteers will stand on the opposite side of the table from where the parents and kids are.

Ground instruction – family groups can stay together as a group but each group will need to be separated by six feet. The ground instructor will speak from the opposite side of the table from where the family groups are standing.

Seating – chairs will be set up in groups so family groups can sit together as a group but each group will need to be separated by six feet. These may need to be rearranged as needed throughout the event. Chairs will need to be cleaned after each use.

Flying – we will ask each parent if it is OK for their kids to fly with another family's kids. Pilots will wear a facemask and needs to have his own pen. Kids will wear a facemask when flying and use hand sanitizer before the flight. Each pilot should clean the hard surfaces of the plane that the kids may have touched after each flight.
