

President's Corner

Dear Chapter members,

Our first Young Eagles of the year will be held on Saturday, August 8. Please contact Laramie Resler if you can help with this event.

We have a good turnout of pilots with aircraft and ground volunteers. The weather looks good, so we are hoping for a GREAT Young Eagles experience to make up for lost time!

Next Thursday, we have member Jim McLain telling us about his experiences with military copter operations. Note—face covering is required.

Note— this will be held at Sweet Aviation at 7:00 pm—same hangar as the cookout. Hope to see you there! Ivy Tech is still closed.

Larry Zepp, President

We hope you participated in EAA Spirit of Aviation Week!

Don't Miss these Great Opportunities! - Many of these presentations can still be viewed online at your convenience.

Thurs. Aug. 13, Chapter Get Together at Sweet Aviation—7:00—8:30 pm Jim McLain will tell us about Military Copter Operations. **Face Covering Required—NOTE—Held at Sweet Aviation—same hangar as the cookout.

Thurs. Sept. 10, Tentative field trip to see the beautiful RV-12 that Ryan and Sheri Stark have completed at FWA

Your Membership Matters

Motivation, Friendship, Support, Mentorship, Resources, Networking.

These are just a few of the words that describe the benefits of being a member of EAA Chapter 2.

Renewing your membership is

quick & easy!

See EAA2.org for details and renew today!

Are you a pilot? Are you building an aircraft? Are you an aircraft owner?
Are you just “plane nuts” about aviation?
If so, then join us! Visit our website at www.eaa2.org and click on “Join EAA2”

Young Eagles on Sat. Aug. 8—

We FLY Young Eagles!

Our first rally is scheduled for August 8.

We are living in an ever changing world. And we will be doing some things differently at our Young Eagle Rallies. Below is our initial plan which is subject to change and we are still working on some of the details.

Any volunteer who will be in direct contact with our guests will need to wear a facemask. We will have hand sanitizer available for use. We will need additional people to help with the logistics of all the extra safety precautions.

It's been such an unusual year and so much has not been normal, including our Young Eagles Rallies. We are looking forward to our first rally in 2020 and it's already August. We have pilots and ground crew ready to make it a successful rally. There will be some procedure changes which will be explained to those who have volunteered to work at our rally. We included a draft of our guidelines in an earlier newsletter if you are interested in reading it. The paperwork is the same, just how we process it is a bit different. And we are still flying kids.

We will be complying with Governor Holcomb's executive orders for face masks and social distancing.

Now, pray that the weather will allow us to fly.

David & Laramie Resler
Young Eagles Coordinators
