

## President's Corner

Dear Chapter members and friends,

Your board has made some tough decisions to keep our members **SAFE** and **Active**. Due to current **COVID** restrictions, we have cancelled the Christmas Party on Dec. 5 to stay **Safe**.

Our December *Get Together* will be the online presentation by Astronaut Jim Lovell on Dec. 10 at 8:00 pm. See instructions on Pg. 2 on how to log in to [EAA.org](http://EAA.org) for this.

We considered several meeting place options and concluded that due to the central location of Smith Field for our members, it should remain the focus of our *Get Togethers* and activities. Sweet Aviation has provided great support and we will continue to work within their schedule and using **ZOOM** for online activities. Note that this may involve changes in days and times.

**Happy Holidays!**

Larry Zepp, President

## Coming Events:

- ⇒ Dec. 5, Sat.—Christmas Party Has Been Cancelled due to COVID restrictions

Are you a pilot? Are you building an aircraft? Are you an aircraft owner?  
Are you just "plane nuts" about aviation?  
If so, then join us! Visit our website at [www.eaa2.org](http://www.eaa2.org) and click on "Join EAA2"

## Cirrus Vision Jet

## We FLY Young Eagles!

Thanks to Joel Pierce for his very informative presentation on Nov. 12 on the Cirrus Vision Jet. This amazing aircraft is providing charter flights and Joel is one of the two pilots.

In addition to its airframe parachute, the Vision incorporates the Garmin emergency auto land technology. If the pilot becomes incapacitated, a passenger pressing the auto land button initiates a complete computer controlled landing to a full stop at the best airport.

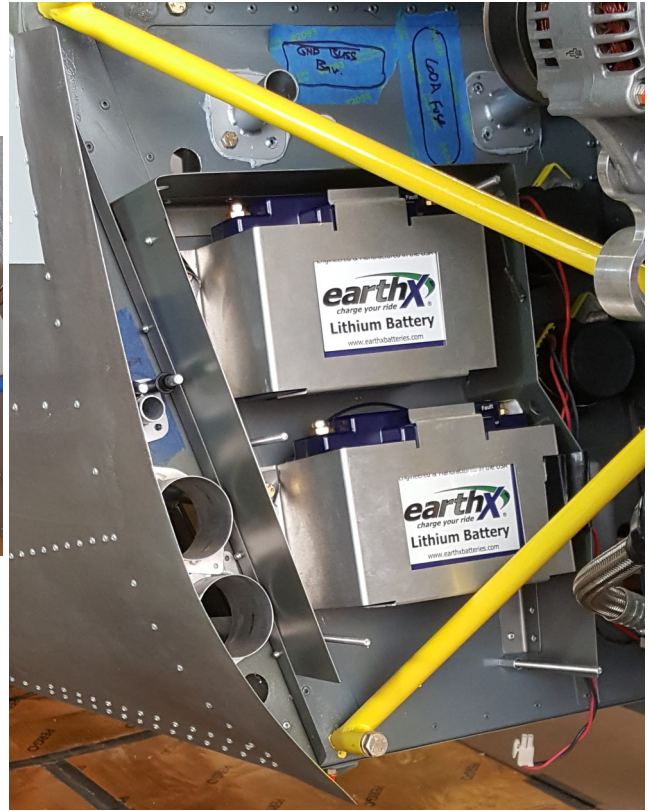

Jim Lovell online presentation for the Apollo 13 50th anniversary. Thurs. Dec. 10, 8:00 pm EST. as part of the Wright Brothers Memorial Banquet. Check your EAA.org national login in advance. You must enter on the EAA web site to view.

Dec. 5 Christmas Party unfortunately has been cancelled. **Have a Happy and Safe Holiday**
