Our first Young Eagle Rally at SMD for 2021 is this Saturday, May 8. Based on the response from our members, we should have enough volunteers to make it a success. If you are not busy, stop by and see what is happening. If you want to help at a rally, we have more coming on June 12, August 14, and September 11. There are rallies at GWB on May 1, June 19, and August 28. The rally at C62 is September 18.

We will continue with our set up to comply with social distancing. We will supply hand sanitizer for the kids and pilots before each flight. The pilots can sanitize their planes between each flight.

**One change from last year is that we are NOT requiring face masks.**

## Chapter 2 Young Eagles !

This year, we would like for anyone who wants to help as ground crew, go to [YEday.org](http://YEday.org) and click on "sign up" in the upper right hand corner. Follow the instructions to sign up as Ground Volunteer under "Function". A "Volunteer Role" box will appear. If you prefer to help in one of the areas listed, click on that. If you don't have a preference, leave it as "Any Function". By signing up as a ground volunteer, I can quickly send emails to all who are signed up.

### **Chapter 2 Breakfast fly out to Grimes Field (I74) Urbana, Ohio on June 5, 2021.**

**I'm proposing a group departure from SMD at or close to 8:30 am– Paul Camp, VP & Leader**

The 8:30 am departure should allow ample time for a leisurely breakfast and ample time to get up close and personal to the B-17 project. The museum hours for Saturday are 10 am until 4 pm. A group departure gives a better chance of a group arrival give or take a little for differences in airspeed.

I will call ahead just prior to our departure to give the restaurant time to prepare for our arrival and hopefully arrange for group seating if everyone is in agreement with this.
