June 5 Fly-Out to Urbana, OH—

We had (4) airplanes and (7) people on a Fly-Out led by VP Paul Camp. Weather was great and the breakfast at the airport café was busy and tasty. We saw the B-17 along with many other military aircraft being restored at the Champaign Aircraft Museum. The museum volunteer staff also works on projects for other military museums around the country restoring B-17's and other historic aircraft.
