## Experimental Aircraft Association Chapter 2 YOUTH AVIATION TRAINING SCHOLARSHIP

### Applications now being accepted September 1 through October 15, 2021

EAA Chapter 2 has established a Youth Pilot Training Scholarship fund to encourage and assist young people in the pursuit of their pilot rating goals. Funds for this scholarship come from various Chapter fund raisers, generous donations from individuals and estates, and other organizations, but not from membership dues. Successful candidates may be awarded up to one thousand dollars (\$1000.00), depending upon available funds and the number of scholarships granted.

### Eligibility

Candidates shall be selected without regard to race, gender, religious beliefs or country of origin based upon the following criteria. The candidate must:

- be a youth or young adult up through age 20 at the time of the application;
- be a member of EAA Chapter 2 and the Experimental Aircraft Association, Inc.;
- be an active participant in EAA Chapter 2 activities;
- have demonstrated academic achievement compatible with successful aviation skills.
- have begun pilot training and achieved at least the level of student pilot and soloed.
- have demonstrated an interest and intent in obtaining a pilot certificate, advanced rating or endorsement. “Pinch hitter” training shall not qualify for the scholarship.

### To Apply

To request an application contact President Larry Zepp, by calling 260-348-0336 or email [president@eaa2.org](mailto:president@eaa2.org), or contact vice president Paul Camp by calling 260-416-1991. Applications will only be accepted during the posting period as advertised in the EAA Chapter 2 newsletter and website. **The current posting period runs from September 1 through October 15, 2021.**

**Applications with all supporting materials must be received no later than October 15, by delivering in person to a chapter officer or by mail at:**

## Young Eagle News -

Our number of Young Eagles flown at rallies held at SMD keep increasing this year. In May we flew 51, in June we flew 54 and in August we flew 61. Likewise, the rallies held at GWB keep increasing. In May we flew 7, in June we flew 15, and in August we flew 36.

In September, we have three rallies. On September 11, we will be having two rallies: one at SMD and one at C62 (in conjunction with their Wings and Wheels event). We could use a couple more people to help at SMD. On September 18, we are having a rally at C62. We could use a few more people to help, both pilots and ground crew.

Let us know if you can help at either the September 11 rally at SMD or the September 18 rally at C62. You can either email at [youngeagles@eaa2.org](mailto:youngeagles@eaa2.org) or text me at 260-402-3478.

Thanks for all you do for Young Eagles!

Smooth Air!

## New drone rules OK'd by council

Adds notification process to 6 aerial districts

**DEVAN FILCHAK** | The Journal Gazette

Drone operators will now need to give the Fort Wayne Police Department a heads up when flying around six places outside of downtown.

The Fort Wayne City Council approved an amendment adding more aerial districts to the city's 2019 ordinance that set up the notification process for drone operators flying in the downtown district.

The only aerial district defined in the original ordinance was downtown, which encompasses everything within a 5,500-foot radius of the 100 block of West Main Street. The aerial districts now include Fort Wayne International Airport, Smith Field Airport, Parkview Hospital Randallia, Dupont Hospital, Lutheran Hospital, and the Army Reserve facility on Nuttman Avenue.

The aerial districts cover everything within 2,500 feet of the center of the locations except for the airports. The international airport aerial district encompasses everything within 13,200 feet or 2.5 miles of the air traffic control tower. The Smith Field Airport aerial district is set on a 5,500-foot radius. Sgt. Rod Bradtmueller said the online notification process takes about three minutes to complete. Hickman added that they just want to know who the operator is, what they will be doing and where.

Bradtmueller said it's about educating offenders rather than fining them. The department has issued 33 written warnings this year. Only two citations have been made since the ordinance was passed two years ago, Hickman said.
