President's Corner

Dear Chapter members and friends,

We had good attendance for the WINGS event "Forced Landings" that was presented on 11/11 by Master CFI Lara Gaerte. The round table discussion format encouraged good participation. Thanks Lara!

Many Thanks to Pat Garvey for hosting our Christmas Party in his hangar on Sat. Dec. 4, starting at 6:00 PM

This year guests may bring an alcoholic beverage for their own use if they would like that with their dinner—BYOB.

We are preparing for a great turn out to Pat's Churubusco hangar—see address in the right column.

The officers and directors of Ch. 2 wish you and your family a Merry Christmas and a Happy New Year!

Fair Skies and Tailwinds!

Congratulations to Scholarship Winner Emma Coville!

Many Thanks to the Scholarship Committee for developing this scholarship process, evaluating applications and selecting our first scholarship winner. Emma, has tirelessly volunteered for Ch. 2 Young Eagle Rallies for several years.

Youth Aviation Training Scholarship Awarded November 11, 2021

A Columbia City woman has received a Scholarship to assist with flight training in the pursuit of her private pilot certificate. On Thursday November 11, Chapter 2 of the Experimental Aircraft Association (EAA Chapter 2) of Fort Wayne announced that Emma Coville was the first recipient of this one thousand dollar (\$1000.00) award. The presentation was made at DeKalb County Airport (KGWB) where the Chapter was holding its regular meeting and hearing a special speaker. Coincidentally, the speaker that evening was Ms. Coville's flight instructor, Lara Gaerte of Century Aviation located at Dekalb County Airport.

The officers and boards of EAA Ch. 2 and VAA Ch. 37 have voted to work together on activities and projects. Chapter 37 will let Ch. 2 use their clubhouse for winter Get Togethers and activities when the Smith Field Winter hours conflict with our activity times.

Both chapters hope to expand our cooperation. This only makes sense, since many members belong to both chapters.
