## President's Corner

Today I am writing my letter before the holiday season begins, but I would like to wish each and everyone a Happy Thanksgiving, Merry Christmas and a joyous New Year.

November's Chapter Meeting was hosted by Jim Bartzsch who presented an information-packed discussion on what is called "Light Sport 2.0". Look for the FAA's MOSAIC announcement, possibly at Airventure 2025.

Elections for the Board of Directors were also held at the November Chapter Meeting, please welcome:

Paul Camp returning as President  
Andrew Gallmeyer as Vice President  
David Resler as Treasurer  
Laramie Resler returning as Secretary

Pat Garvey has again offered his hanger for our Annual Chapter 2 **Christmas Party Pot Luck Dinner** on December 7, 2024, at 6:00 pm. The main meat course, table service, and beverages will be provided by the Chapter. Please bring a dish to share.

Just a winter reminder:

- 1.) Plan on how to preheat your engine.
- 2.) Call the airport and check on runway conditions.
- 3.) Consider how weather can changes from receiving your report and your departure time.
- 4.) Plan for Advection Fog (low-lying cloud layer).
- 5.) Always clean the frost off before departing.

Wait, there is more good news. EAA2 will open the application period for our **YOUTH AVIATION TRAINING SCHOLARSHIP** from December 1, 2024, through January 31, 2025. For Eligibility Conditions and contact information please refer to page 3 of this Newsletter.
